° NEW HEADQUARTERS BUILDING

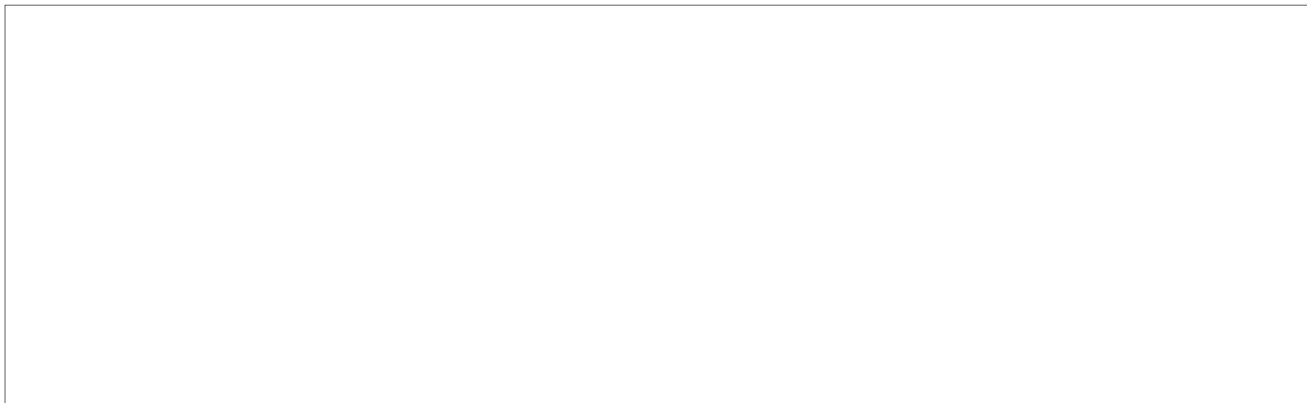

25X1

° OL managed the construction of the New Headquarters Building (NHB) on the Headquarters Compound. The [redacted] Computer Center and the Agency Telephone Operations Branch were moved into the NHB in May and June of 1988. The Office of Technical Service is being moved into the NHB in July.

° Headquarters Compound roads were repaved and restriped, and new curbing and lights were installed. The Route 123/193 Roadway Improvements project was also completed.

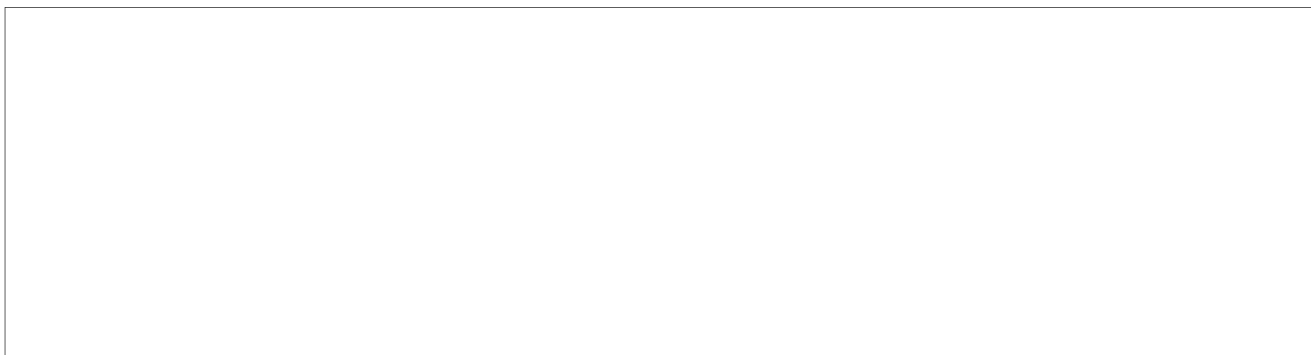

° The Visitor Control Centers at the entrance from Route 123 and the George Washington Parkway were completed.

° RECORD LEVELS OF ACHIEVEMENT

25X1

° The dollar value for FY-87 procurement actions (exclusive of contract team actions) was a 28.4 percent increase over FY 87 and the most dollars ever obligated in one fiscal year.

° The number of procurement actions in FY 87 (exclusive of contract team actions) totaled 60,875, down 2.9 percent from FY 86, which continued the trend of consolidating these actions.
